Hey Pushpender,

Your submission **StoryScape** won **RAG Recognition Prizes** in **Red Hat and Intel AI Hackathon!**

You've won:

RAG Recognition Prizes

- \$1,000 USD (goes to your teammate Ujjawal Saini)
- Social Promo (shared with your teammates)

Important: Prizes will be delivered within 60 days of the Sponsor or Devpost's receipt of the completed Required Forms, as per the official Hackathon Rules. For questions, please refer to this [help article](#) and/or contact prizes@devpost.com.
